## MALCOLM RENO

*Height: 5 foot 6 inches*

*Sex: Male*

*Penis length: 4.5 inches*

*Body type: Muscular*

*Ability level: Capable at sex, inadequate with massaging*

Malcom Reno is a very nice man. His charisma spreads on everyone; he is truly one of the most enjoyable candidates to work with. I was not sure why he was invited to Perseus however, as he just never came across as 'right' for the club. However, far more concerning was the fact he lied on his application form. He stated his penis was 6 inches long when it was clearly less so, and I do worry he wouldn't be able to pleasure others in the club, albeit more so because of his lack of girth. While truly someone who will succeed at life and will probably do fine with women long-term, he just won't work here. Sorry Malcolm.

VERDICT: Rejected

## JOHNNY DE LA SOL

*Height: 5 foot 10 inches*

*Sex: Male*

*Penis length: 8 inches*

*Body type: Muscular*

*Ability level: Perfect*

While his initiation did start off a bit poorly (Johnny prematurely ejaculated at the sight of another person being initiated) the rest of it was superb. It was brilliant to watch the four of them together, they clearly had great chemistry. He isn't as good looking as the other people that day but should make a fine addition to Perseus no matter what.

VERDICT: Approved

## LIZ MACINTOSH

*Height: 5 foot 3 inches*

*Sex: Female*

*Breast size: Large*

*Butt size: Large*

*Body type: Curvy*

*Ability level: Perfect*

Liz was previously removed from Perseus due to an accusation made that she had raped another member of Perseus. We immediately took action against her but the investigation found the rape accusation was false and a way of enacting revenge for an external dispute. Following discussions with the board Liz was allowed to be reinitiated.

Liz is a very scary woman, and one who expects her own way. Indeed, to make sure she got back in she tried to mount one of the judges as a bribe. For other people trying to join Perseus this would have been an instant rejection but Liz' past contributions to Perseus as well as her extreme sexual knowledge and ability, particularly in BDSM, meant she was allowed in as long as she behaved herself.

**VERDICT: Approved (conditional)**

## XAVIER FROST

*Height: 6 foot*

*Sex: Male*

*Penis length: 7 inches*

*Body type: Toned*

*Ability level: N/A*

Xavier is the owner of Perseus, having run it since it was founded ten years ago. Xavier is well-respected by the members and staff of Perseus, although his relationship with his assistant Hazel has raised eyebrows. He reassures me that everything is consensual in their professional relationship but I shall keep a lookout for anything concerning.

Outside of Perseus, Xavier leads a relatively normal life as the CEO of Frost-MX Industries, a heavy machinery manufacturer he helped to found as Frost Industrial before merging with MX Solutions due to the latter's bankruptcy.

## EMMA MARTIN

*Height: 5 foot 4 inches*

*Sex: Female*

*Breast size: Large*

*Butt size: Large*

*Body type: Curvy*

*Ability level: Perfect*

Emma immediately gained great chemistry with Johnny De La Sol during her initiation, and we expect they will have more encounters during their time in Perseus. We approved her based on her looks, which while not to everyone's tastes did make Johnny ejaculate immediately; and her love for sex, which was a joy to behold.

VERDICT: Approved

## LUCY MARTINEZ

*Height: 5 foot 4 inches*

*Sex: Female*

*Breast size: Small*

*Butt size: Small*

*Body type: Skinny*

*Ability level: Satisfactory*

Lucy was a virgin when she started her initiation. We were impressed by her flawless beauty and passion for Perseus, but disappointed by her lack of sexual experience due to her still being a virgin. She lost it during the initiation which was a smooth experience for all involved.

Lucy is a sweet if naïve woman, whose knowledge of sex likely came from sex education and pornography, neither of which is adequate. However, I decided to let her into Perseus due to her stunning looks and her potential to grow during her time here.

VERDICT: Approved

## KATE [NAME REDACTED]

*Height: 6 foot*

*Sex: Female*

*Breast size: Medium*

*Butt size: Small*

*Body type: Regular*

*Ability level: Inadequate*

Kate's surname has been redacted due to potential security concerns. Her initiation was disappointing as she had shown potential during prior communications. However, she was unable to complete the initiation. She was visibly shaking when she was asked to strip (despite knowing she would need to do it before arriving) and when the other applicants were invited in Kate suffered from a dysphoric breakdown, leaving in a state of panic.

Her body dysphoria does not represent how she actually looks; Kate was a very good looking woman who would have made a great fit. Hopefully she has gone and found help for her condition. We have tried to contact her but as of yet we have not received a response. We may be open to give her a second chance due to the circumstances of her first initiation.

**VERDICT: Rejected (initiation not completed)**

## BENNETT RUIZ

*Height: 6 foot 2 inches*

*Sex: Male*

*Penis length: 11.5 inches*

*Body type: Muscular*

*Ability level: Perfect*

Bennett's distant cousin Hazel has been a staff member at Perseus for a few years and was excited when she learnt Bennett would be initiated. Bennett's body and ability exceeded our expectations, and I was personally impressed by his confidence – an instant approval from me.
